
Supporting Intercultural Arts (IA) in North East England

Intercultural Arts (IA)

IA would really like you and the organisations or groups that you represent to get involved in an international project Intercultural Arts is delivering with Creativity Culture and Education(<http://www.creativitycultureeducation.org/>)

Creative Policies for Creative Cities is an international project that aims to advise the European Commission on how to increase the benefits of arts and culture to economic and social issues and to ensure that as many different people as possible benefit from developments in the creative industries.
